Fitness to Practise
Voluntary removal decision

Date of decision: Monday 10 August 2026

Particulars of decision

Social Work England has agreed to Joseph Martin's request to remove themselves from the register under the voluntary removal process. The social worker has been subject to a conditions of practice order since 24 February 2026. Social Work England has agreed to remove them from the register on the basis that they have confirmed:

- They are not currently practicing as a social worker
- They do not intend to practise in the future
- They will not apply to be restored to the social workers register at any point in the future.

In light of the above, Social Work England has agreed that it is not in the public interest for the fitness to practise process to continue and that Mr Martin can be removed from the register.
